2026 Sponsorship Opportunities

Your Support Makes Our WiS Initiative Possible

WiS was established in 2014 as a means of connecting women in structured finance to peers, mentors, and professional sponsors to facilitate an environment to encourage the professional development, retention, and advancement of women in our industry. Membership is open to industry participants at all levels – women and men, SFA members and non-members alike. WiS is **100% sponsorship funded** and is not supplemented by SFA membership dues or any other revenue source. Sponsorship opportunities are available for both **corporations and individuals.**

2026 WiS Cabinet
