ABOUT WiS *Impact*

For over a decade, WiS has been bringing structured finance professionals together to build relationships, develop leaders, and advance professionals across the industry. From mentorship and career development to candid conversations among senior executives, WiS creates opportunities to connect, contribute, and lead at every career stage.

Membership is open to industry participants at all levels – women and men, SFA members and non-members alike. Every WiS program is made possible by our corporate sponsors and individual supporters.

Sponsorship opportunities are available for both corporations and individuals.

"What an amazing event!" This is what I heard from countless attendees at our inaugural WiS Leadership Forum. From the painstakingly curated content, venue, food, and networking opportunities this one goes down into the memory books. The structured finance industry is incredibly fortunate to have such an amazing and thoughtful team helping inspire women to be their best selves in and out of the office. Thank you for everything that you all do.
